

# Tertiary Program Scholarship Application Form

AMYAC Charitable Trust

If you are applying for the Tertiary Program, you can apply for up to \$10,000 for assistance with education costs (including compulsory books and reference materials, excursions and camps which form part of their assessed curriculum and accommodation). Fees can be applied for, except for university courses.

Please note that depending on demand, your scholarship may not be for the entire amount you apply for. This is to assist as many AM-YAC children as possible with their education.

If the applicant is over 18 years of age, you either need to be an AM-YAC Member or have submitted your application to be considered to be eligible for this Program. If you turn 18 years of age during your scholarship period, you will need to submit your application for membership before 30 October of that year.

Applications will be considered in May and November each year. Applications are for the current year only and members will need to reapply each year. Successful applicants may be asked to present to the AM-YAC board on their scholarship experience.
