

AM-YAC Indigenous Community Trust

# 2021 SCHOLARSHIP PROGRAM

The Scholarship Committee met on Tuesday 15 December to review Scholarship Program applications for the 2021 academic year.

Due to a large number of applications without attendance records, the Scholarship Committee has put on hold all Secondary, Primary and Laptop applications until **19 January 2021**.

Parents or guardians applying for Scholarship Program assistance, must provide attendance records with their child's application form to qualify for assistance.

Parents or guardians must provide a copy of an attendance record to the Executive Office before Monday 18 January, to receive Scholarship Program assistance during 2021.

The Scholarship Committee acknowledge COVID-19 has affected school attendance during 2020 and are considering lowering the school attendance benchmark, usually 80%.

The Scholarship Committee would like to support as many AM-YAC families with support for education costs as possible during 2021.
