

This application form is to make an enquiry regarding the eligibility or past payment of a Historical Hardship Payment. The Historical Hardship program is not accepting new applications.

You can use this form to query if you were on the Historical Hardship list. The Executive Office will respond to your query in writing and advise if you are on this list and when/if you were paid. If you are not on the Historical Hardship list, you are not eligible for payment. The Trustees response is final.

AM-YAC members need to complete their own form.
